

Amazing Highlights

An exclusive collection of contemporary 1+den, 2, and 2+den homes, Estella redefines the urban living experience in Port Coquitlam.

With premium city and mountain views, an Estella home is the ideal backdrop to those precious moments at home. Blend the great outdoors with thoughtfully designed interiors through spacious private patios and wrap-around patios on select homes.

The first residential building in Port Coquitlam with Air Conditioning*

Elegant Interiors
